## > TIPS & RECOMMENDATIONS

### Don't forget...

- Passport, ATM cards, credit cards & cash.
- **Soft foldable luggage** is easier to carry and store aboard, we advise avoiding hard bulky suitcases.
- Dress code: Wearing **your best happy smile** is an absolute must! Other than that, make sure you have enough lightweight shorts & t-shirts for a warm Summer while a lightweight wind jacket is always handy to have.
- Sun: Don't forget to pack **your favorite sunscreen**. We recommend that especially during your first days in the sun you use SPF 30 or higher and kindly require that you do not use tanning oils & gels that will stain boat fabrics!
- You will go **barefoot on the boat** or you can use shoes only for boat with non-marking soles.
- Insect repellent & bite relief stick.
- **Swimming suits, hats & sunglasses.**
- Any pleasure reading.

- You can plug your devices such as smartphones, cameras, tablets, on the boat for charging but have in mind that **you need a 220V adaptor**.
- Make sure to bring your favorite toiletries with you.
- Music: mp3 or cd albums with **your favorite music** could connect with the boat's sound system for your enjoyment.
- In most countries, a license is required to practice certain water sports & there are age limits. Also a PADI certificate is required for Scuba Diving.

### A word about tipping:

Your crew will take great pride in providing the **highest standard of service** and it is only common that by the end of your charter you will rightly think of them as your friends, so tipping them may feel awkward.

But tips may constitute a major part of their working capital and if you've enjoyed their efforts, they will appreciate you letting them know this way - putting your gratuity in an envelope with a thanks note is a beautiful gesture. This is absolutely at your entire discretion; most guests are comfortable with a tip of 10 - 15% of the charter fee, but the decision, is of course, up to you!
